In REAL ESTATE PRACTICE, the students will learn about basic concepts of the practical aspects of real estate brokerage. Such items as tax benefits of purchasing real estate, fair housing laws, agency laws, and overall ethical and legal requirements expected by practioneers in the real estate profession. After the student’s attendance and enrollment in the classes, a comprehensive quiz will be given. A passing score will result in the issuance of a transcript showing 45 hours of completion for the course.

The textbook used for this course is MODERN REAL ESTATE PRACTICE IN PENNSYLVANIA, 14TH edition, by Bellairs, Hesel, and Goldsmith. There is no other special equipment needed for this course. The student is urged to take notes and to use, when needed, a calculator. GRADING: the student’s grade will be determined by a passing grade on a written quiz (multiple choice, 50 questions), to be given the last day of class. This passing grade will consist of approximately 80% of the total grade. The remaining portion of the grade will be based on the student’s attendance and participation.
